6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institute's quality policy is well conveyed from its vision and mission statements. Strategic and action plans are designed in such a manner that this quality policy is driven and deployed during every process. The Institution has a perspective plan devised by the Principal in coordination with IQAC and other stakeholders. The plan is drafted with the vision and mission of the college and the recommendations mentioned in the report of the peer team for the third NAAC reaccreditation cycle. The goals are included in the strategic plan which mainly focuses on academic excellence, quality of research work, infrastructure development, self-learning, etc. The plan for 2017 to 2022 has been prepared to aim at making the students competent global citizens. It's a reflection of continuous improvement in the academics and support facilities for students. It also focuses on the augmentation of infrastructural facilities for facing emerging challenges.

The perspective plan includes the following:

1. To initiate undergraduate, and postgraduate degree programs and interdisciplinary courses.
2. To start bridge, certificate, value-added and skill-based courses.
3. To impart quality education by upgrading ICT tools and IT infrastructure.
4. To strengthen a continuous internal evaluation system.
5. To promote research culture among faculty members and students through research projects, research publications, and participation in seminars, workshops, and conferences.
6. To organize national, and international seminars, conferences, and workshops on emerging themes.
7. To develop collaborations with industries and research workshops through linkages, MOUs for idea exchange, counseling, student on-the-job training and placement activities, etc.
8. To renovate and develop new departmental buildings equipped with sophisticated instruments and furniture.
9. To upgrade sports facilities and other student support facilities.
10. To develop an eco-friendly and secure campus.
11. To strengthen the college's alumni association by involving them in activities like campus development and social and cultural activities.
12. To work for obtaining academic autonomy.

The institutional perspective plan is effectively deployed in the following way:

1. All the stakeholders are made aware of the perspective plan through continuous interaction.
2. All the stakeholders are motivated to actively participate in the implementation of the perspective plan.
3. Various committees are formed for better coordination and execution of the plan.
4. Chief Minister's Kaushalya Karnataka Yojana (CMKKY), the center was implemented to impart employable computer skills.
5. Karnataka State Open University(KSOU) Mysuru, Learners Support Centres was introduced to support higher education
6. Management constructed a new building and upgraded it with ICT facilities as per students' academic requirements.
7. Certificate Course/Value added course, skill enhancement activities are started.
8. MOUs and collaborations, Conferences, and workshops are arranged.

Case study: Imparting quality education by upgrading IT infrastructure and ICT tools: Internet facility is made available on the college campus by deploying high speed 32.6 Mbps for download and 64.8 Mbps for uploading. Campus LAN network via structured optic fiber and CAT6 cabling in the entire campus for anywhere data access. The entire campus is made Wi-Fi enabled. A well-equipped computer lab with 69 computers is made available to the students, and the student-to-computer ratio is 1:11. A portable LCD projector, printer, and scanner facility is provided to all the departments. ICT tools like 'Google Classroom' are extensively used for effective teaching and learning. Students are encouraged to avail of additional resources like educational blogs, PPT bank, and online digital repositories including e-PG Pathshala, Consortium for Educational Communication (CEC), and NPTEL.
