##### ➤ Implementation of e-governance in areas of operation

E-Governance in the field of the educational sector has changed the way of administration. An educational institution's data and processes model makes the process easy, well-organized, and error-free. This is designed to make the system user-friendly, time-saving, and cost-saving also. It helps in improving transparency, providing speedy information, and dissemination, and improving administrative efficiency and public service in all aspects of education. The institution was successful in implementing the following services this year.

## 6.2.3 - Implementation of e-governance in areas of operation:

### 2. Finance and Accounts.

The college runs two Grant-in-Aid Courses, i.e. BA (Kannada, English, Hindi, Sociology, Economics, Political Science, History) and B.Com. And one un-aided course i.e. B.Sc (Computer Science, Chemistry, Botany, Zoology, Mathematics, and Physics). For grant-in-aid courses and un-aided courses, there are separate bank accounts. All aided department faculty salaries are paid through HRMS by the Government of Karnataka and for the un-aided department, faculties are paid by the principal in consultation with management.
